**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am senior living on a fixed income. I can not afford a price hike on the cost of internet or telephone services. I love Socket because I have internet and the phone service I can afford each month. I want to be able to choose from different services should the need to arise to look for a lower amount to pay. Right now I am satisfy with Socket.
